Open Forum

Tony Becker was present to address the Town Board about building an event center in the Rural Residential area. After some discussion, Greg Anderson stated that what he is looking to do is not allowed in the Ordinance, and the only way it could happen was if the Ordinance was changed. He stated that the Planning Commission looked at the issue last year and decided not to make a change to allow for such venues. He also stated that they were planning on looking at the issue again but even if they decided to make any changes, it would be at least 6 months down the road. It is simply not allowed per Ordinance currently and suggested that he look at some property in the Commercial zone since it would be an allowed use.
